Pertinent Employment History:

Chanhasen Dinner Theaters

Sound Engineer
July 2014 - Present

Supervisor: Russ Haynes
russ.haynes@usa.net

As the sound engineer for CDT I assisted the sound engineer with the load in of their main dinner theater shows as well as many of the side shows, weddings, and concerts that took place in the various other spaces. In addition I was his substitute for all shows, usually once to twice a week, in the main stage shows.

Lakeview Covenant Church

Sound Engineer
December, 2010 - May, 2014

Supervisor Seth Petersen
sethdp@juno.com

As a Sound Engineer for Lakeview covenant church, I was a project team lead in the redesign of their audio systems. I was one of the regular rotation of technicians who ran their sound system for their contemporary music service. Additionally, I was the point man on many of the maintenance issues and system development ideas.

Other Employment:

Marshall Performing Arts Center

Staff Technician
December, 2010 - May, 2014

Supervisor: Sean Dumm
sdumm@d.umn.edu

I was one of three staff members for the performing arts center at the University of Minnesota Duluth. We assisted with the load in and operation of sound and lighting for all rentals of the space.

Internship Experience

Consumer Electronics Association

Media Broadcast
Management Intern
January, 2014 and 2015

I assisted in the management of the press for the 2014 and 2015 Consumer Electronics Show, assisting with both clerical work and the operation of communications systems.

Guthrie Theater

Sound Intern
May, 2013- August, 2013

As the sound intern I assisted and shadowed Scott Edwards and Reid Rejsa in their designs for Pride and Prejudice and Clybourne Park respectively.

Spyhop Productions

Audio Recording Apprentice
January, 2008 - May 2008

As an Audio apprentice I became familiar with many different recording softwares and best practices including Protools, Abelton, Audacity, and Logic Pro.

Education:

University of Minnesota Duluth

Bachelor of Fine Arts in Theatre
Graduated: May 2014*

Emphasis Design/Technology

**Graduated with departmental distinction*
